

Abbott BinaxNOW Rapid COVID-19 Antigen At-Home Test Kit

HOW TO USE THIS TEST KIT

This test kit must be used with a certified proctor using your smartphone or computer with a camera and microphone.

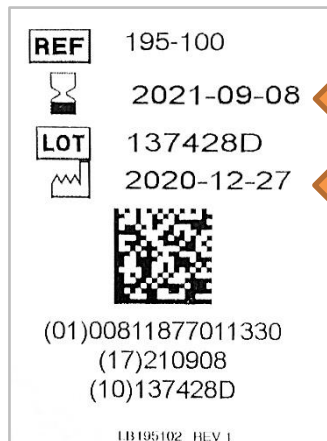

The entire process only takes 20 minutes.

For instructions visit howtotest.madisonph.org or scan the QR code. This test kit is authorized for people age 4 and older.

TEST KIT EXPIRATION DATE

On the box you will see a label with several codes:

← **Original Expiration Date**

← **Date Test Kit Was Made**

These test kits have been approved by the Food and Drug Administration (FDA) to be used beyond their original expiration date. The test kits are good for 3 months after the original expiration date. In this example, the original expiration date was 09/08/2021. The new expiration date is 12/08/2021 which is 3 months after 09/08/2021. You can read about the expiration date extension at fda.gov/media/147409/download
