JOB SUMMARY

Madison County Public Health (MCPH) is seeking a Registered Nurse for the School Nursing and Public Health Nursing programs. This position is 40 hours per week during the school year and is primarily responsible for delivering school nursing services at London Schools. This position may also provide public health nursing services at the main office of MCPH located at 306 Lafayette Street in London. This position is funded through contracts, billing services, and a public health levy. MCPH offers full benefits, excellent retirement through Ohio PERS, and a work schedule centered around regular daytime hours.

ESSENTIAL FUNCTIONS

Provide school nursing services including, maintaining clinic areas, providing medical care of students' acute physical conditions, assisting in the management of students' chronic physical conditions, overseeing the administration of medication to students, updating and maintaining state-mandated immunization records, providing training to Unlicensed Assistive Personnel to aide in nursing duties, conducting vision and hearing screenings including follow-up and referrals, and reviewing and maintaining student medical records; administer vaccine to all age ranges (infant to adult); correctly interpret, explain, and apply vaccine schedules; provide clinical services in the areas of tuberculosis, Children with Medical Handicaps (including occasional home visits if necessary), communicable disease identification and investigation, head lice checks, blood pressure screenings, and blood glucose screenings; provide health screenings for early identification of health related concerns; maintain patient medical records; plan, develop and present health education programs; educate patients in a variety of settings and to diverse audiences; prepare and revise informational brochures and outreach materials; represent MCPH at community functions, meetings, health fairs, and on committees; assist with community needs assessments and community health improvement plans; participate in emergency preparedness exercises.

EDUCATION AND EXPERIENCE

This job requires a current Registered Nurse (RN) license in good standing with the State of Ohio pursuant to section 4723.13 of the Ohio Revised Code. Specialized skills such as typing, computer skills, and strong communication skills, both oral and written, are required. Knowledge of public health, school nursing, and health education is preferred.

Chris Cook, MPH, RS
Health Commissioner

Dr. James Kaehr, MD
Medical Director

Madison County Public Health

London, Ohio 43140 | Fax 740-852-5418

Our Mission
We are committed to monitoring and responding to our community's health and wellness needs through innovative services, education, collaboration, and compassionate care.

KNOWLEDGE, SKILLS, AND ABILITIES

This job requires proficiency of computers skills including Microsoft Word, Excel, Power Point, Adobe Reader, e-mail and the Internet; ability to compile, consolidate and summarize information; English grammar, spelling, written format and punctuation; demonstrate effective verbal and written communication skills; work independently in a dependable manner; be knowledgeable of community resources; be able to effusively deal with stress; ability to learn and use a web-based reporting program for completing on-line reports; establish and maintain effective working relationships with other agency and organization representatives; perform effective public speaking to groups of varied interests and backgrounds and develop and deliver informative and persuasive presentations, counseling, and brief interventions. The job requires recordkeeping and reporting procedures, the ability to meet multiple deadlines, excellent organizational skills, and adhere to confidentiality requirements. This job requires working occasional evenings and weekends.

PHYSICAL DEMANDS AND WORKING CONDITIONS

The demands and conditions described here are representative of those the employee must meet to perform the essential functions of the job.

- Frequently required to sit, stand, walk, talk, write, listen and read.
- The employee may infrequently be required to climb, balance, stoop, kneel, crouch or crawl, reach with hands and arms, lift and/or move up to 35 pounds. May frequently be required to reach into or climb inside automobiles. Must be comfortable with and capable of applying mild restraint techniques to children (with the help of a parent/guardian) while administering vaccines.
- Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and the ability to focus.
- The noise level of the office is moderate. May occasionally be in environments with high noise levels. Involves travel by automobile to attend meetings with state agencies and community partners and travel between schools. Must have current driver's license valid in the state of Ohio and access to a personal automobile

ORGANIZATION OVERVIEW

Madison County Public Health (MCPH) protects and promotes the health of citizens and the environment through the efforts of dedicated and skilled employees and application of sound public health principles. Our role is to identify community health problems; diagnose and investigate health problems and health hazards in the community; and enforce laws and regulations that protect health and ensure safety. MCPH offers a relaxed, positive, and friendly work environment. During Public Health emergencies, remote working may be an option. The work of equity, diversity and inclusion is the work of Public Health. We are committed to a future that is free of health inequities, that promotes the highest level of wellness for the communities we serve, and a diverse and inclusive public health workforce that embodies humility, respect, leadership and service on behalf of, and with, the diverse communities we are privileged to serve.
