Safety Tips for Prescription Drug Use:

- Be aware of interactions with other drugs and alcohol
- Never stop/ change your RX without discussing with a doctor
- Follow directions as explained on the label or by the pharmacist
- Store prescription stimulants, opioids, and sedatives safely
- Dispose of medications by using this disposal system bag
- Never use another person's prescription or give to others.

According to the National Survey on Drug Use and Health (NSDUH) 2015:

Over 50% of misused medications are from a friend or relative- regardless of whether they knew it or not.

Medication Drug Disposal Bag Survey

Thank you for using a FREE Medication Disposal Bag provided by WeCARE/ (a Madison County coalition initiative focusing on preventing misuse of prescription drugs). Please take 20 seconds to complete the 3 question anonymous survey and mail your response; or complete by scanning the QR code. This may help us get more free bags for Madison County!

1. I live in the following zip code:

- 43140 (London) 43064 (Plain City) 43162 (West Jefferson)
- 43151 (Sedalia) 43143 (Mt. Sterling) 43153 (South Solon) Outside of Madison Co.

2. I used the bag to dispose of (pick all that apply):

- Pain Medication (Prescribed) Over the Counter Medication Illegal Drugs
- Non Pain Medication (Prescribed) Something else not listed here

3. Before getting this bag I would do the following with unused medication and drugs (pick all that apply):

- Keep at home and use later Toss in trash Flush down toilet
- Take to pharmacy Take to law enforcement Something else not listed
